MATERIALS LIST

Pastels:

You will need to bring or invest in a set of **soft** pastels (**chalk** vs. oil). A 48-96 piece set is sufficient (1/2 sticks are less expensive with more colors). **Sennelier** or **Great American** or **Unison** (½ set of 60)

- In lieu of, or in addition to soft pastels; **hard** pastels - 48-96 piece set of **Nupastels** or **Cretacolor**

Paper: I will bring some papers which **you can purchase from me**. However, if you wish to come with your own, here are suggestions:
5-10 sheets (9"x12" or smaller) of both sanded and un-sanded pastel paper

- **UArt** #600 or #400 (more coarse) This sanded paper now comes in a 9"x12" pad of 10 sheet with glassine. Good value. You can also purchase UArt by the sheet if you wish to experiment with different "grades" (roughness) The **UArt Trial Pack** is an economical way to try out a variety of grades; http://www.amazon.com/Sanded-Pastel-Paper-P-103697-Trial/dp/B0089KZ0IK/ref=sr_1_2?ie=UTF8&qid=1458234838&sr=8-2&keywords=uart+pastel+paper
- Other options for **sanded paper** are; *Pastelmat* and *Art Spectrum Colourfix* brands (9x12 sheets can be cut in half).
- Options for **unsanded paper**; **Stonehenge Paper** or **BFK Rives** 22"x30" (which you can cut into smaller dimensions) **Canson Mi-Teintes** 9"x12" pad of assorted colors.
- Your instructor will have some samples of each paper which can be purchased by the sheet.
